Re: FOIA-2012-01075
ICM Registry complaints

Dear Mr. Delaware:

This is in response to your request dated June 28, 2012 under the Freedom of Information Act seeking access to all complaints against ICM Registry. In accordance with the FOIA and agency policy, we have searched our records, as of June 28, 2012, the date we received your request in our FOIA office.

We have located one responsive complaint made to the Federal Trade Commission ("FTC"). You should know that the enclosed complaint has not necessarily been verified by the FTC. Therefore, you should make your own judgment about relying on the information provided. I am denying access to the consumer's name, address, and any other identifying information found in the complaint. This information is exempt from release under FOIA Exemption 6, 5 U.S.C. § 552(b)(6), because individuals' right to privacy outweighs the general public's interest in seeing personal identifying information. *See The Lakin Law Firm v. FTC*, 352 F.3d 1122 (7th Cir. 2003).

If you are not satisfied with this response to your request, you may appeal by writing to Freedom of Information Act Appeal, Office of the General Counsel, Federal Trade Commission, 600 Pennsylvania Avenue, N.W., Washington D.C. 20580, within 30 days of the date of this letter. Please enclose a copy of your original request and a copy of this response. If you believe that we should choose to disclose additional materials beyond what the FOIA requires, please explain why this would be in the public interest.

If you have any questions about the way we handled your request or about the FOIA regulations or procedures, please contact Alexander Scery at (202) 326-2736.

Sincerely,

A handwritten signature in black ink, which appears to read "Dione J. Stearns", is written over a large, stylized circular flourish.
